No. of visits by Superintendent 30. No. of visits by Parents, Citizens and others 84.

The above is a correct report of the schools in the town of Pittsburg. There has been a spring and fall term in each district, the past year, except No. 6, the school-house not being completed in time for only one term. We have been very successful in employing teachers as nearly all of them have given good satisfaction.

HATTIE M. JOHNSON, Supt.
